

SCHOOL FEES

When your child is enrolled at St. Paul's College, it is assumed that you understand the obligation you make to pay full school fees. Parents who fail to meet their commitment to pay school fees or who consistently ignore accounts and letters from the school fees office are not fulfilling the obligation they made on enrolment. The policy of the College in this matter is that some arrangement must be made between you and the Principal, otherwise the continued enrolment of the child will need to be re-evaluated. However, no Catholic child will be denied Catholic education because they are unable to pay school fees in full, where they are showing a genuine effort to make regular payments.

Fees will be billed **four** times per year and are payable within 21 days (payments may be made by regular instalments). While the child is enrolled at the school, irrespective of whether the child is present or not, school fees will be charged. For further information, please phone the College on 6562 7200 and speak with the School Fee Administration Officer.

The fees structure for 2019 is as follows.

2019 Yearly School Fees	Years 7 - 10	Years 11 & 12
Base Fee per student	\$1623.00	\$2040.00
